

ABSTRACT

5 The present invention provides a precoated metal
sheet excellent in the coating material adhesion and
having little affect on environment. The precoated metal
sheet of the invention is a precoated metal sheet
comprising a metal or plated metal sheet having stacked
on the surface thereof at least a coat layer and an
organic resin layer, the metal or plated metal sheet
10 mainly comprising zinc and aluminum and the coat layer
mainly comprising one or both of a metal oxide and a
metal hydroxide each using a metal species exclusive of
chromium.
